REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF COMMERCIAL BANK OF KUWAIT S.A.K

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of The Commercial Bank of Kuwait S.A.K ("the Parent Bank") and its subsidiaries (together called "the Group") as of 30 September 2013 and the related interim condensed consolidated statements of income, comprehensive income, changes in equity, and cash flows for the nine month period then ended. Management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of presentation set out in Note 2. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared in all material respects in accordance with the basis of presentation set out in Note 2.

Report on other Legal and Regulatory Requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of account of the Parent Bank, and we have not become aware of any material violations of the Companies Law No. 25 of 2012, as amended, or of the Articles of Association of the Parent Bank have occurred during the period ended 30 September 2013 that might have had a material effect on the business of the Group or on its financial position.

We further report that, during the course of our review, we have not become aware of any material violations of the provisions of Law No. 32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the Organization of Banking Business, and its related regulations.

1 INCORPORATION AND REGISTRATION

The Commercial Bank of Kuwait S.A.K (the "Parent Bank") is a public shareholding company incorporated in the State of Kuwait and is registered as a Bank with the Central Bank of Kuwait ("CBK") and listed on the Kuwait Stock Exchange ("KSE"). The address of the registered office of the Parent Bank is P.O. Box 2861, 13029 Safat, State of Kuwait.

The Parent Bank and its subsidiaries are together referred to as "the Group" in this interim condensed consolidated financial information.

2 SIGNIFICANT ACCOUNTING POLICIES

The interim condensed consolidated financial information has been prepared in accordance with International Accounting Standard (IAS) 34 "Interim Financial Reporting". The accounting policies used in the preparation of the interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2012 except for the adoption of the following new and amended standards issued and effective during the year:

IFRS 7: Financial Instruments Disclosures: The amendment requires an entity to disclose information about rights to set-off and related arrangements (e.g. collateral agreements). The disclosures would provide users with information that is useful in evaluating the effect of netting arrangements on an entity's financial position. The new disclosures are required for all recognised financial instruments that are set off in accordance with IAS 32 Financial Instruments Presentation. The disclosures also apply to recognised financial instruments that are subject to an enforceable master netting arrangement or similar agreement, irrespective of whether they are set off in accordance with IAS 32. The amendment affects disclosure only and has no material impact on the interim condensed consolidated financial position or performance of the Group. However adoption of the above amendment may result in more enhanced disclosures in the annual consolidated financial statements of the Group.

IFRS 10: Consolidated Financial Statements: This new Standard replaces the consolidation guidance in IAS 27: Consolidated and Separate Financial Statements and SIC 12: Consolidation of Special Purpose Entities by introducing a single consolidation model for all entities based on control, irrespective of the nature of the investee (i.e. whether an entity is controlled through voting rights of investors or through other contractual arrangements as is common in special purpose entities). Under IFRS 10, control is based on whether an investor has 1) power over the investee; 2) exposure or rights to variable returns from its involvement with the investee; and 3) the ability to use its power over the investee to affect the amount of the returns. The adoption of this standard has not resulted in any material impact on the interim condensed consolidated financial position or performance of the Group.

IFRS 12: Disclosure of Interests in Other Entities: This new Standard requires enhanced disclosures about both consolidated entities and unconsolidated entities in which an entity has involvement. The objective of IFRS 12 is provide information so that financial statement users may evaluate the basis of control, any restrictions on consolidated assets and liabilities, risk exposures arising from involvements with unconsolidated structured entities and non-controlling interest holders' involvement in the activities of consolidated entities. The adoption of this standard has not resulted in any material additional disclosures in the interim condensed consolidated financial position. The Group will review before the year end and may disclose any additional disclosure in the annual consolidated financial statements of the Group.

IFRS 13: Fair Value Measurement: This new Standard establishes a single source of guidance under IFRS for all fair value measurements. IFRS 13 does not change the requirements regarding which items should be measured or disclosed at fair value, but rather provides guidance on how to measure fair value under IFRS when fair value is required or permitted. The adoption of this standard has resulted in additional disclosures in the interim condensed consolidated financial information of the Group.

30 September 2013 (Unaudited)

IAS 1: Presentation of Financial Statements: The amendments to IAS 1 change the grouping of items presented in other comprehensive income. Items that could be reclassified (or 'recycled') to profit or loss at a future point in time (for example, upon derecognition or settlement) would be presented separately from items that will never be reclassified. The amendment affects presentation only and has therefore no impact on the interim condensed consolidated financial position or performance of Group.

IAS 19: Employee Benefits: Numerous changes or clarifications are made under the amended Standard. Among these numerous amendments, the most important changes are making the distinction between short-term and other long-term employee benefits based on expected timing of settlement rather than employee entitlement. These amendments have no material impact on the interim condensed consolidated financial position or performance of the Group.

IAS 28: Investments in Associates and Joint Ventures: As a consequence of the new IFRS 11 Joint Arrangements, and IFRS 12 Disclosure of Interests in Other Entities, IAS 28 Investments in Associates, has been renamed IAS 28 Investments in Associates and Joint Ventures. The Standard describes the application of the equity method to investments in joint ventures in addition to associates. The adoption of this standard has not resulted in any material impact on the interim condensed consolidated financial position or performance of the Group.

Other amendments to IFRSs which are effective for annual accounting period starting from 1 January 2013 did not have any material impact on the accounting policies, interim condensed consolidated financial position or performance of the Group.

The interim condensed consolidated financial information does not include all the information and notes required for complete consolidated financial statements prepared in accordance with International Financial Reporting Standards (IFRS) as adopted for use by the Government of Kuwait for financial services institutions regulated by the CBK. These regulations require adoption of all IFRS except for the IAS 39 "Financial Instruments: Recognition and Measurement" requirement for collective provision, which has been replaced by the CBK's requirement for a minimum general provision.

The policy of the Group for calculation of the impairment provisions for loans and advances complies in all material respects with the specific provision requirements of the CBK.

In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the period ended 30 September 2013 are not necessarily indicative of the results that may be expected for the year ending 31 December 2013. For further information, refer to the consolidated financial statements included in the Group's annual report for the year ended 31 December 2012.

7 LOANS AND ADVANCES

Loans and advances are classified as "loans and receivables".

During the period, CBK issued its Circular no. 2/BS,IS/305/2013 to all local banks and investment companies regarding formation of Family Support Fund (the "Fund") under Law no. 104/2013. The Ministry of Finance has established a Fund to purchase outstanding balance of instalment and consumer loans from the Banks as on 12 June 2013 for loans granted before 30 March 2008. The Parent Bank is currently in the process of identifying such loans and submitting its report as required by the circular.

30 September 2013 (Unaudited)

8 INVESTMENT SECURITIES

During the period, the Group recognised an unrealised loss of KD 1,306 thousand (30 September 2012: unrealised gain of KD 15,201 thousand) in the interim condensed consolidated statement of comprehensive income as arising from changes in fair value and re-cycled fair valuation changes of KD 1,418 thousand (30 September 2012: KD 563 thousand) to the interim condensed consolidated statement of income on disposal and impairment of "available for sale" investment securities.

Impairment loss of KD 8,112 thousand (30 September 2012: KD 16,423 thousand) was charged to the interim condensed consolidated statement of income.

Investment securities include 348,483,589 shares carried at a fair value of KD 209,090 thousand (31 December 2012: KD 223,029 thousand and 30 September 2012: KD 216,060 thousand). The Parent Bank acquired 221,421,095 of these shares at a cost of KD 94,103 thousand in the year 2009 under a transaction executed through the KSE where the counterparty subsequently failed to exercise their buy back option within the agreed time frame. During 2010, the Parent Bank participated in the rights issue and acquired 127,062,494 shares at a cost of KD 32,401 thousand. As at the reporting date, the Parent Bank holds the title of the underlying shares. The counterparty raised a legal case challenging the Parent Bank's ownership that is currently pending at the court of law. On the basis of legal counsel, management believes that they have a meritorious defense and accordingly the Parent Bank has fair valued the investment and recognised the resultant fair valuation gain in the Investment Valuation Reserve.

9 INTEREST INCOME

Interest income includes a release of KD 183 thousand (30 September 2012: KD 598 thousand) due to adjustments arising from revised estimates of future cash flows, discounted at the original contracted rates of interest from a portfolio of performing loans that have had their terms modified during the year 2007, as per Central Bank circular 2/202BS RSA/2007 dated 13 February 2007 and 2/105 dated 23 April 2008.

13 FAIR VALUES OF FINANCIAL INSTRUMENTS

Fair values of all financial instruments are not materially different from their carrying values. For financial assets and financial liabilities that are liquid or having a short-term maturity (less than three months) it is assumed that the carrying amounts approximate to their fair value. This assumption is also applied to demand deposits, saving accounts without a specific maturity and variable rate financial instruments.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities;

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly; and

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The method and valuation techniques used for the purpose of measuring fair value are unchanged compared to the previous reporting period.

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy:

15 OFF BALANCE SHEET ITEMS

(a) Financial instruments with contractual amounts

In the normal course of business the Group makes commitments to extend credit to customers. The contracted amounts represent the credit risk assuming that the amounts are fully advanced and that any collateral is of no value. The total contractual amount of the commitment does not necessarily represent the future cash requirement as in many cases these contracts terminate without being funded.
